No. 2 2017

Design meets news.

Welcome to the range, Mr T!

Mr T is an expressive stool that makes it easy to vary your seating positions.

Mr T, stool, design Roger Duverell and Ola Giertz.

Furnish for interaction.

Mr T is designed to let you sit in several different ways. The stool is available in two different heights and in a choice of fabrics, making it easy to create a varied and interesting environment for both shorter and longer discussions.
